

Dear Business Leaders,

The Women of Achievement Awards provide your organization with the opportunity to tell the great women in your organization just how special they are! Ensure their recognition by becoming a Women of Excellence Sponsor. You can also submit nominations for our prestigious Women of Achievement, Dorothy O. Jackson, and Founder's Awards. We invite you to share your special women with our community today and to support a worthy scholarship opportunity in our area!

WOMEN OF PROFESSIONAL EXCELLENCE RECOGNITIONS

When your organization becomes an event sponsor you receive many benefits. You receive the unique opportunity to recognize the contributions of the exceptional women within your organization. We organize the entire event. You and your nominees enjoy preferred seating for the event and a program ad to promote your business. Your contribution is tax deductible and proceeds from the event benefit our Resnik Scholarship recipients and Women's Network.

WOMEN OF ACHIEVEMENT

The Women of Achievement Award was established to increase community awareness, understanding and appreciation of women and the doors they open for future generations. Recipients are selected for encouraging success among women, breaking down barriers, and supporting the progress of women toward full participation in economic, community and family life. Recipients have gone beyond personal or career accomplishments to give back to the community.

WOMEN'S NETWORK FOUNDER'S AWARD

The Founder's Award spotlights Women's Network members who have encouraged and supported the progress of women toward full participation in economic, community and family life. Recipients are chosen in recognition of their outstanding contributions to the network and its mission
